Batthyany, A., Russo-Netzer, P. (Eds.). (2014). Meaning in Positive and Existential Psychology. Springer. This book is only partially about positive psychology, as it is an attempt to merge ideas from both positive psychology and existential psychology. The idea behind this merging is to glean some idea of meaning from the teachings of both of these fields.

Children's literature or juvenile literature includes stories, books, magazines, and poems that are enjoyed by children. Modern children's literature is classified in two different ways: genre or the intended age of the reader. Children's literature can be traced to stories and songs, part of a wider oral tradition, that adults shared with children before publishing existed.
