Chapter 4 Nonverbal Communication. When we think about communication, we most often focus on how we exchange information using words. While verbal communication is important, humans relied on nonverbal communication for thousands of years before we developed the capability to communicate with words.

INTRODUCTION Communication stems from the Latin word *communicare*, "to impart, participate, convey and share information about" (Webster's New Collegiate Dictionary, 1974, p. 228). It is the act or reciprocal process of imparting or interchanging thoughts, attitudes, emotions, opinions, or information by
