

writing and reporting news pdf

Journalism in antiquity. While publications reporting news to the general public in a standardized fashion only began to appear in the 17th century and later, governments as early as Han dynasty China made use of regularly published news bulletins. Similar publications were established in the Republic of Venice in the 16th century. These bulletins, however, were intended only for government ...

Writing the narrative: the triumphs and tribulations

News style, journalistic style, or news-writing style is the prose style used for news reporting in media such as newspapers, radio and television.. News style encompasses not only vocabulary and sentence structure, but also the way in which stories present the information in terms of relative importance, tone, and intended audience. The tense used for news style articles is past tense.
